Thursday Noon
July.

Dear Dr. Nasuik:-

Since coming home I have
been a woman without a plan.
Living just one day at a time
and getting the very most out
of the days.

We are planning now for Muskoka
on August fourteenth, so if we go
to the Lake it will be near
the end of August.

I hope you ^{are} having ~~had~~ this week
at the Lake with Dr. Graham.

When are you coming to see us?

We can offer you guests, good
food and a welcome.

It does not seem hardly an
equivalent for the Lake with.

it's brand new cottage, but a
change always means much
to really tired people.

We are sending Vicki to Muskoka
the end of next week for a few
days. Come up when she gets
back on the third or fourth of
August and stay over Sunday
with us.

Don't count on our going to the
Lake because I am loth-
to leave Mother for the
Muskoka trip, and do not
intend to stay more than a
week or ten days there.

We had such a nice week
end at Balmy Beach - but
the time seemed long to Mother
You will understand why I
enjoy staying with her so much

as I can when you see her. She is
better this year but she needs no more.
A letter from Miss Field today tells me
the good news that - she is to be the
resident teacher at Albert College next
year. Dr. Dyer wrote her and I
recommended Miss Field. I hope
she makes good and I believe she
will. What a delightful place
for a bride had she been strong
enough and how creditably she would
have filled it! Never do I fail to send
out a strong thought for you - you are
dressed, robed by God so be of good cheer.
